- 10) What is the most important thing you have learned that will keep you from committing violence in the future?
- 11) How would you advise a friend who was acting abusively in a relationship?
- 12) At what class number did you honestly start looking at your behavior?
- 13) Besides paying the fees, what did you like least about the group/class?
- 14) What did you like most about the group/class?
- 15) What are two examples of goals you have implemented in your life since starting this class?
- 16) What advice would you give to a child if he/she asked you about domestic violence?

The above comments represent my honest assessment of my progress to date. I will keep all group information disclosed by others confidential. I understand that Cornerstone may contact me for future follow-up and I will cooperate with honest answers to all questions. I know that my complete counseling file detailed accounts may be used as a training and educational example in various formats (keeping my name confidential) and I agree to this use. I understand that I must continue to monitor my emotions and actions and choose non-violent alternatives at all times and that counseling does not guarantee any results. I understand that I may never use the handouts and educational material to generate a profit or give them to another person who has the intention of using them for profit. The materials are the property of Scott Barrella. I am in full agreement with all of the above statements and comments.
