Dear Scott Barrella:

This is to inform you that your placement on the Superior Court of California, County of Los Angeles Private Counselors Directory has been renewed. We have completed our review of the updated documentation and are satisfied that it meets the requirements necessary to remain on the list.

Please remember for the next renewal cycle that any required documents must be current. Updating the listing allows us to provide the judiciary, attorneys, and clients with the most current referral list possible.

We hope your participation on the Court's Private Counselor Directory will continue to be beneficial for the families we serve. You may continue to use your previously assigned password for any revisions to your listing. Please send any additional questions to: FLDirectoryList@lacourt.org.

Best wishes,
